

# Sustainable Energy Association of Singapore

## Sustainable Energy Association of Singapore Training Programme for 2011

| No.  | Programmes  | Date           | Partners                            |
|--|---|----------------|-------------------------------------|
| <b>SEAS EVENTS</b>   |   |                |                                     |
| April 2011   |   |                |                                     |
| 1  | What is Carbon Management? – An Introduction.                                     | 05 Apr         | Singapore Business Federation (SBF) |
| 2  | What's Next after Carbon Footprint? – Monitoring, Reducing & Offsetting.          | 07 Apr         | Singapore Business Federation (SBF) |
| October 2011   |   |                |                                     |
| 3  | Carbon Forum Asia 2011  | Nov            | Koelnmesse Pte Ltd                  |
| November 2011  |   |                |                                     |
| 4  | Clean Energy Expo Asia 2011   | Nov            | Koelnmesse Pte Ltd                  |
| <b>CERTIFIED COURSES</b>   |   |                |                                     |
| <b>Solar PV Certified Course</b>   |   |                |                                     |
| July 2011  |   |                |                                     |
| 1  | Design and Installation of PV Systems   | 04 – 15 Jul    | Workforce Development Agency (WDA)  |
| 2  | Maintenance of PV Systems   |                |                                     |
| <b>Singapore Certified Energy Manager (Professional Level) – Building Sector</b> |   |                |                                     |
| January 2011   |   |                |                                     |
| 1  | Integrative Design for Energy Efficiency  | 17, 18, 19 Jan | National Environment Agency (NEA)   |
| 2  | Integrative Design for Energy Efficiency  | 19, 20, 21 Jan | National Environment Agency (NEA)   |
| 3  | Integrative Design for Energy Efficiency  | 24, 25, 26 Jan | National Environment Agency (NEA)   |
| February 2011  |   |                |                                     |
| 4  | Energy Management & Economic (5 <sup>th</sup> intake)                             | 22, 23, 24 Feb | National Environment Agency (NEA)   |
| March 2011   |   |                |                                     |
| 5  | Lighting Systems & Building Envelope (6 <sup>th</sup> Intake)                     | 01, 02, 03 Mar | National Environment Agency (NEA)   |
|  | Energy Management & Economics (8 <sup>th</sup> Intake)                            | 29, 30, 31 Mar | National Environment Agency (NEA)   |
| April 2011   |   |                |                                     |
| 6  | Motor Driven Systems (7 <sup>th</sup> Intake)                                     | 18, 19, 20 Apr | National Environment Agency (NEA)   |
| 7  | Motor Driven Systems (8 <sup>th</sup> intake)                                     | 26, 27, 28 Apr | National Environment Agency (NEA)   |
| May 2011   |   |                |                                     |
| 8  | Energy Management & Economics (9 <sup>th</sup> intake)                            | 11, 12, 13 May | National Environment Agency (NEA)   |
| 9  | Air-Conditioning & Mechanical Ventilation Systems (ACMV) (7 <sup>th</sup> Intake) | 17, 18, 19 May | National Environment Agency (NEA)   |
| 10   | Energy Measurement & Appraisal (8 <sup>th</sup> Intake)                           | 25, 26, 27 May | National Environment Agency (NEA)   |

## Sustainable Energy Association of Singapore Training Programme for 2011

| No.  | Programmes   | Date            | Partners                          |
|--|--|-----------------|-----------------------------------|
| <b>CERTIFIED COURSES</b>   |  |                 |                                   |
| June 2011  |  |                 |                                   |
| 11   | Air-Conditioning & Mechanical Ventilation System (ACMV) (8 <sup>th</sup> Intake) | 01, 02, 03 Jun  | National Environment Agency(NEA)  |
| July 2011  |  |                 |                                   |
| 12   | Lighting Systems & Building Envelope (7 <sup>th</sup> Intake)                    | 05, 06, 07 Jul  | National Environment Agency (NEA) |
| August 2011  |  |                 |                                   |
| 13   | Lighting Systems & Building Envelope (8 <sup>th</sup> Intake)                    | 03, 04, 05 Aug  | National Environment Agency (NEA) |
| September 2011   |  |                 |                                   |
| 14   | Energy Measurement & Appraisal (9 <sup>th</sup> Intake)                          | 06, 07, 08 Sept | National Environment Agency (NEA) |
| October 2011   |  |                 |                                   |
| 15   | Motor Driven Systems (9 <sup>th</sup> Intake)                                    | 04, 05, 06 Oct  | National Environment Agency (NEA) |
| <b>Singapore Certified Energy Manager (Professional Level) – Industry Sector</b> |  |                 |                                   |
| January 2011   |  |                 |                                   |
| 1  | Motor Driven Systems (1 <sup>st</sup> Intake)                                    | 25, 26, 27 Jan  | National Environment Agency (NEA) |
| February 2011  |  |                 |                                   |
| 2  | Combined Heat & Power Systems (1 <sup>st</sup> intake)                           | 15, 16, 17 Feb  | National Environment Agency (NEA) |
| March 2011   |  |                 |                                   |
| 3  | Motor Driven Systems (2 <sup>nd</sup> intake)                                    | 09, 10, 11 Mar  | National Environment Agency (NEA) |
| April 2011   |  |                 |                                   |
| 4  | Energy Measurement & Appraisal (2 <sup>nd</sup> Intake)                          | 12, 13, 14 Apr  | National Environment Agency (NEA) |
| May 2011   |  |                 |                                   |
| 5  | Air-Conditioning & Mechanical Ventilation System (ACMV) (2 <sup>nd</sup> Intake) | 25, 26, 27 May  | National Environment Agency (NEA) |
| June 2011  |  |                 |                                   |
| 6  | Energy Measurement & Appraisal (3 <sup>rd</sup> Intake)                          | 07, 08, 09 Jun  | National Environment Agency (NEA) |
| 7  | Steam & Compressed Air Systems (1B Intake)                                       | 14, 15, 16 Jun  | National Environment Agency (NEA) |
| July 2011  |  |                 |                                   |
| 8  | Combined Heat & Power Systems (3 <sup>rd</sup> Intake)                           | 12, 13, 14 Jul  | National Environment Agency (NEA) |
| 9  | Energy Management & Economics (2 <sup>nd</sup> Intake)                           | 19, 20, 21 Jul  | National Environment Agency (NEA) |
| August 2011  |  |                 |                                   |
| 10   | Steam & Compressed Air Systems (2 <sup>nd</sup> Intake)                          | 02, 03, 04 Aug  | National Environment Agency (NEA) |
| September 2011   |  |                 |                                   |
| 11   | Air-Conditioning & Mechanical Ventilation System (ACMV) (3 <sup>rd</sup> Intake) | 13, 14, 15 Sept | National Environment Agency (NEA) |
| 12   | Energy Management & Economics (2 <sup>nd</sup> Intake)                           | 14, 15, 16 Sept | National Environment Agency (NEA) |
| November 2011  |  |                 |                                   |
| 13   | Motor Driven Systems (3 <sup>rd</sup> Intake)                                    | 15, 16, 17 Nov  | National Environment Agency (NEA) |
