Session Overview

Jointly organized by Singapore Business Federation (SBF) and Building and Construction Authority (BCA), this session will allow Sino-Singapore Tianjin Eco-city (SSTEC) to share with Singapore companies the latest business opportunities and investment incentives in the eco-city.

BCA and SBF will also touch on some of the recent developments in policies and opportunities in the Eco-city which companies can potentially exploit and grow. So join us in this roundtable to explore the opportunities in Tianjin Eco-city and see how your company can be a part of it.

About Sino-Singapore Tianjin Eco-City (SSTEC)

The Sino-Singapore Tianjin Eco-City (SSTEC) is the master developer for the Tianjin Eco-City. Currently being incorporated, it is a 50/50 joint venture between the Chinese Consortium led by Tianjin TEDA Investment Holding Co., Ltd (Tianjin TEDA) and the Singapore Consortium led by the Keppel Group.

The Tianjin Eco-City is a landmark bilateral project between China and Singapore with private-sector investment and

development. Located in the Tianjin Binhai New Area (40 km away from Tianjin city centre), the 30-sq km Tianjin Eco-City is envisioned to create a harmonious and sustainable community that meets the needs of an urbanising China and will be a modern township where 350,000 residents can live, work and play.

About Sustainable Development Business Group (SDBG)

SBF Sustainable Development Business Group (SDBG) is formed as an interest group for member companies interested in adoption and/or commercialization of clean, efficient and green solutions spanning clean energy and sustainable development.

It is to connect members to various industry verticals, technology partners, link them to business leads in the clean energy and sustainable development sector and facilitate them in tapping into available schemes, incentives, and sources for funding for their clean energy and sustainable development plans.
