

Grow your Business with Solar Energy

Event Overview

Adopting solar energy is becoming mainstream amongst businesses in recent years, thanks to new solar adoption models and improved efficiencies of solar PV systems. Come join us at our seminar to find out more about the latest solar PV technologies and how it can be a viable and cost effective solution for your company.

This is the 5th run of the Solar Adoption Seminar jointly conducted by JTC and SEAS. Through this free seminar, you can tap on the expertise of highly experienced solar industry professionals, as well as companies that have adopted solar solutions.

3 SCEM PDU points to be awarded
