

CARBON FORUM ASIA

27th – 28th October 2010

Raffles City Convention Centre, Singapore

Jointly organized by the International Emissions Trading Association (IETA) and Koelnmesse, the 5th Annual CARBON FORUM ASIA will focus on key carbon topics and emerging issues, aiming to be the arena that generates new thinking that continues to serve as the premier platform for the carbon sector in the region. CARBON FORUM ASIA 2010 is part of the Singapore International Energy Week (SIEW), a platform for policy makers, academics and industry players to exchange ideas on energy options and strategies for the future. Be Part of it!

The Benefits you will reap

- **Generate** new business deals and contacts through carbon finance
- **Market** your projects, services and technology solutions to potential buyers from around the world
- **Learn** about upcoming trends in rapidly developing Asia Pacific Carbon Markets
- **Meet** with project developers, technology and service providers, CER traders and brokers and other key players in the Asian Carbon Market
- **Position** your organization at the very heart of the Asia-Pacific Carbon Market

Special rates for the Singapore Pavilion

Organized by Sustainable Energy Association of Singapore (SEAS), the Singapore Pavilion is covered under the International Marketing Activities Programme (IMAP). The IMAP enables companies to receive up to 50% in subsidies for total eligible costs.

Quotes from 2009

"I was delighted with the event. At a time when we are all trying to reduce costs, the Carbon Forum Asia enabled us to meet many existing and potential partners in just a short span of time. The programme was balanced and informative and the organization was, as always, impeccable." - **Markus Hüwener**, CEO - First Climate

"Carbon Forum Asia in Singapore with 1,000 delegates represents the most attended and valuable annual gathering of carbon experts and traders in the whole region" - **Laurent Segalen**, Managing Director - Commodities & Environment, Nomura International plc

"It's by far the best and most comprehensive carbon market event in Asia in terms of the coverage and depth of content as well as the variety of participants. Thanks for involving us as a partner and we look forward to next year." - **Toru Kubo**, Senior Climate Change & Clean Energy Specialist - Asian Development Bank (ADB)
