**BOOK NOW - DON'T BE LEFT OUT.**

The 3-in-1 trade show - **Renewable Energy Asia / Entech Pollutec Asia / Pumps and Valves Asia** was a **HUGE Success**.

The 2011 edition recorded **16,997 visitors** (21% increase) and **207 exhibitors** including 5 country pavilions.

Various trade activities were conducted such as the **Business MatchMaking**, an online matchmaking **tool** available to all exhibitors; and the **One-Stop Renewable Energy & Efficiency Clinic** **providing** information on policies and regulations, government incentives and consultancy services and networking with financial institutions.

Valuable presentations were also made during the trade shows such as the *Renewable Energy Asia Conference* and the *Energy Efficiency and CEO Energy Talk*.

During this four-day show, the Singapore contingent collectively reported **SYP21 million dollars** worth of business deals over the next 12 months.

The organisers reported that this year there were 150 leading companies, and total cash flow of more than **10 BILLION BAHT** **YP3**

***Beyond just an exhibition... Opportunities & Business Activities Abound.***

Join the Singapore Pavilion led by Sustainable Energy Association of Singapore (SEAS) and enjoy up to 50% subsidy of booth cost before deduction of eligible expenses.

**YP1** Yatin, 11/18/2011

**YP2** where was this figure from? IMAP? BTW, this is quite a small amount, any way of looking at other figures such as connections made or something?  
Yatin, 11/18/2011

**YP3** Use US \$\$ as well as Bhatt in "(US\$ xxx)"...
