

NUS Distinguished Climate Lecture Series

Organised by:

National University of Singapore Students' Union
**Students Against
Violation of the Earth**

About the Speaker

Professor Tim Flannery BA, MSc, PhD

Tim Flannery is one of Australia's leading thinkers and writers.

A scientist, explorer, and conservationist, he has published more than 130 peer-reviewed papers and many books.

Currently Professor in the Faculty of Science at Macquarie University, he is Chair of the Australian Government's Coasts and Climate Change Group, represents Australasia on the National Geographic Society Research Grant Committee and is a director of the Australian Wildlife Conservancy. From 2006 to 2009, he was Chair of the Copenhagen Climate Council. In 2007, he was named Australian of the Year.
