

# **Renewable Energy Roundtable 2010: Aicep Portugal (Singapore)**

Date: 26<sup>th</sup> November 2010

Venue: IE Singapore

**Aicep Portugal** is a public Government business entity focused in encouraging the best foreign companies to invest in Portugal and contribute to the success of Portuguese companies abroad in their internationalization processes or export activities. We help you to find the business partner that best matches your request for Portuguese products or services and we have a global network at your service to better understand and help you to identify the Portuguese brand, sector, product or service that you are looking for.

The main aim of this event is to let Singaporean Companies know about Portuguese expertise and expansion into the **renewable energy sector**. Portugal has led development in this sector for the last 10 years and is looking to Asia for partners and trade.
