

Clean Energy Expo Asia

25 – 27 September 2013 • Centara Grand & Bangkok Convention Centre at CentralWorld, Bangkok, Thailand

Jointly organized by Sustainable Energy Association of Singapore (SEAS) and Koelnmesse, Clean Energy Expo Asia (CEEA) brings you a unique trading and knowledge-sharing platform for the clean energy industry in Asia Pacific. The Trade Fair and Conference bring together the leading players in the technology, services, finance and government sector to address key issues in the area of renewable energy, energy efficiency and sustainable development in the Asia Pacific region.

What you will achieve

- **Generate** new business deals through clean energy finance
- **Market** your projects to potential buyers from around the world
- **Present** your services, technology solutions and products to a tailored audience
- **Learn** about upcoming trends in rapidly developing clean energy markets in Asia Pacific
- **Meet** with project developers, technology and service providers and other key players in the Asian clean energy and energy efficiency market
- **Position** your organization at the very heart of the Asia-Pacific clean energy and energy efficiency market

Subsidized rates for Singapore Pavilion

IE Singapore has approved the International Marketing Activities Programme (IMAP) funding for the Singapore Pavilion at Clean Energy Expo Asia 2013. The Pavilion will be fronted by the Sustainable Energy Association of Singapore (SEAS). The IMAP enables companies to receive up to 50% in subsidies for total eligible costs.

* Graphic shown above is for illustration purpose only. Booth facilities listed are subject to change at the discretion of the Organizers without prior notice. Cost of booth will not change if any items in the packages listed above are not required by the Exhibitor.

SGD 500 administrative fees applies to non SEAS members
¹Limited slots are available on a first-come-first serve basis
