

## THOMSON REUTERS CARBON FORUM

In partnership with

**SVCA** *Singapore Venture Capital  
& Private Equity Association*

Dear Member

We are pleased to present Mr. Chew Hwee Hong, Founder of Ecospec Global Technology Pte Ltd to share his experiences and lessons learnt in setting up a cleantech business in Singapore at the next Thomson Reuters Carbon Forum. The event details are as follows:

**Topic:** **Noble Truth about Entrepreneurship in New Clean Technology**

**Speaker:** **Mr Chew Hwee Hong**  
**Managing Director and Founder, Ecospec Global Technology Pte Ltd**  
(Certified Chartered Marine Engineer of 30 years, veteran in various industries including Ship-repair, Corrosion and Environment technology, etc.)

**Date:** 17<sup>th</sup> September 2009, Thursday  
**Time:** 6.00pm onwards  
The guest talk will be followed by drinks

**Venue:** Thomson Reuters (Auditorium)  
One Raffles Quay  
#28-01 North Tower  
Singapore 048583

**Registration:** Please send an email to [summit.chaudhuri@thomsonreuters.com](mailto:summit.chaudhuri@thomsonreuters.com) with your full name, company, email and mobile number.

The talk will address the following questions:

- **What are the opportunities of starting a CleanTech business in Singapore?**
- **What is the support provided by the government?**
- **What are the possible risks that an entrepreneur has to be wary of?**

The guest talk will be followed by a Q&A session and the opportunity for further discussions during the networking session.

I look forward to welcoming you on 17 September 2009.

Kind Regards

**Summit Chaudhuri**
